Partnership with Pride Foundation offers opportunities for multi-layered relationships with an audience of thousands of open-minded, devoted and dynamic supporters across the Northwest.

Who We Are

Pride Foundation is a community foundation serving lesbian, gay, bisexual, transgender, and queer (LGBTQ+) individuals, organizations, and communities in the Northwest. We focus on the critical issues impacting LGBTQ+ people, including: housing and homelessness, economic and food security, education access and school safety, HIV & AIDS support and prevention, transgender visibility, elder issues, health care access and behavioral health services, and arts & culture. A commitment to racial equity is at the core of our work. For us, equity is about creating a place where we all belong, where we all can be ourselves, and where we all have opportunities to thrive.

Since our founding in 1985, Pride Foundation has invested more than \$74 million in LGBTQ+ communities across five states.

We're mission-driven and community supported, just like you.

Pride Foundation is the only community foundation in the Northwest focused solely on LGBTQ+ lived and legal equality. We work across five states—building organizations, supporting students, and connecting leaders. We do this through grants, scholarships, and by funding and coordinating other timely initiatives.

We're highly visible in our 5-state region, and we want to share the spotlight with you.

You will benefit from multiple points of exposure to desirable and loyal audiences. Nearly 90% of our donors have been active with Pride Foundation for 4 or more years, and half have been active for more than 10 years!

Pride Foundation's work and our movement's progress would not be possible without the incredible support of business and media partners like you. **Thank you.**

Pride Foundation Presents: The Equity Awards

A Unique Gala Event Hosted in Portland, Oregon

This special gala brings 300+ diverse members of Oregon's philanthropic community together for a memorable evening that is both a celebration and an awards event for community groups working for LGBTQ+ equality in Oregon.

A deeply meaningful program, a strong sense of community, and a fun festive atmosphere make the Equity Awards a favorite among attendees.

We are pleased to invite you to join us as a partner for The 3rd Annual Equity Awards on March 21, 2020. We could not do this event or our work without the support of our community, including our business community.

In addition to the regional sponsor benefits outlined on the previous page that include year-round promotion throughout the entire Northwest, this distinctive sponsorship opportunity offers visibility and increased exposure to a more targeted audience leading up to the gala.

Gala partnerships are extensive and flexible. We would love to discuss some of the unique opportunities available for additional exposure and promotion, including sponsorship of our Community Welcome or Stargazers Reception, or supporting one of the four awards given to community leaders during the program.

We hope you will join us at The 3rd Equity Awards—it will truly be a night to remember.
