

# Tend! A Celebration of Community

We are pleased to invite you to join us as a partner for Tend! A Celebration of Community on June 17, 2021 as we raise funds for Pride Foundation's Community Grants and Scholarship Programs that invest in LGBTQ+ communities and student leaders.

Be part of our inaugural Pride Month event that will bring together Pride Foundation's community for a memorable evening of performances, storytelling, and celebration as we honor our 2021 LGBTQ+ scholars and the organizations who have worked on the frontlines of the pandemic and led racial justice efforts over the past year.

Emceed by the talented [Adra Boo](#), Tend! will be streamed across the Northwest and watched in-person at small, safe watch parties and will celebrate the vibrant LGBTQ+ leaders and communities in Alaska, Idaho, Montana, Oregon, and Washington.

Sponsorship of Tend! Pride Foundation's Celebration of LGBTQ+ Community offers personalized recognition of our partnership through email, social media, print publications, online and throughout the event.

**"We work with business partners to achieve their philanthropic goals, because we know that our sponsors don't just want to have a logo slapped onto an event. They are members of our communities who want to contribute to transformative change."**

*- Alli Auldridge, Director of Community Engagement*
